\* Corrections to the FSL enrolment figures published in the 1998–99 edition of Quick Facts have been posted on the Ministry of Education web site.

\*\* Data for secondary schools are not comparable with those of previous years, owing to changes in policies related to diploma requirements and to the reporting of enrolment data.

# Secondary School Graduation Rate, 1955–56 to 1998–99

Graduates\* As a Percentage of 18-Year-Old Population

\* Includes graduates from private schools.

\*\* The 1994-95 figure is not strictly comparable with the figures in previous years, owing to a change in the definition of population and the methodology for estimating population totals.
